Raymond Arroyo receives Maestro Award for Diversity Advancement

November 2017 – One of Reffett Associates’ Managing Directors, Raymond Arroyo, who leads our Diversity Practice, was recognized with the Maestro award for Diversity Advancement by Latino Leaders magazine. This award is given to individuals who have demonstrated thought leadership and innovation in the area of diversity. The recipients come from every discipline — including business, education, civil service and entrepreneurship — and have a lifetime of achievement to celebrate.

“[We celebrate] the success stories, accomplishments, and the triumphs of many leaders who have made history and continue to make history in our community,” said Jorge Ferraez, the magazine’s publisher, and we’re very pleased to recognize Raymond Arroyo among such strong leaders.”
