VA selects Reffett Associates for
National Recruitment Effort/Project

August 2017 —Reffett Associates has been awarded a five-year blanket purchase agreement by the Department of Veterans Affairs for a national effort to recruit clinical executives and medical personnel. The assignment includes recruiting for medical center and network director positions, as well as physicians, nurses, specialists, and other healthcare providers in the department's 1,233 healthcare facilities, which includes 168 VA medical centers.

"We are honored to have been selected by the Department of Veterans Affairs to assist them with this immensely important project," said William Reffett, the firm's managing partner. "As a veteran-owned small business, we know firsthand the challenges that our nations' veterans face every day, and our team will work tirelessly to ensure that our veterans receive the high quality of care that they deserve."

Mr. Reffett said his firm is grateful for the opportunity to assist the VA, and that he and his colleagues will work with them hand-in-hand to provide their hospitals with the quality personnel that they need to meet the demand for fast, efficient, and excellent healthcare for veterans. "A number of our team members are veterans, or are associated with the veterans' community; we understand the urgency of our mission."

The U.S. Department of Veterans Affairs is a federal agency that provides near-comprehensive healthcare services to eligible military veterans at VA medical centers and outpatient clinics throughout the country. Non-healthcare benefits including disability compensation, vocational rehabilitation, education assistance, home loans and life insurance. The VA also provides burial and memorial benefits to eligible veterans and family members at 135 national cemeteries.
